Equipment Inventory

Make	Model	Power

If you have other ways to serve your ARES group, list them here: _____

Availability:

What is your chance of being available on a business day?

- Available anytime
- Good chance I can be available
- Depends on the situation
- No chance at all

What is your chance of being available on a weekend?

- Available anytime
- Good chance I can be available
- Depends on the situation
- No chance at all

What is your chance of being available on an evening?

- Available anytime
- Good chance I can be available
- Depends on the situation
- No chance at all

What is your chance of being available at night?

- Available anytime
- Good chance I can be available
- Depends on the situation
- No chance at all

Do you have any availability conflicts? (I.E. Winters in Florida, Having to go to work on business days, child care issues, coordinating with wife's schedule, business may be impacted by disasters, etc.) Please list:

What limits your availability?

Physical: What physical conditions affect you, and will limit your ability to do ARES work? Blindness, Asthma, mobility problems, can't drive at night, etc. This limits where and how we deploy people.

Radio / License

What level License do you currently hold : None / Basic / Code / Advanced

HF: What HF equipment do you have?

VHF/UHF: What VHF / UHF equipment do you have?

Modes of Operation: APRS / Packet / Voice / CW / SSB / etc.

Antennas: Mostly a matter of installed base, direction, and height.

Do you have any other radio licences? _____

Power

Emerg. Pwr:

Do you have a generator?	YES / NO	Capacity?
Do you have batteries for your base station?	YES / NO	Capacity?
Do you have handheld batteries	YES / NO	Capacity?

Vehicle Information

(In many cases during simulations and emergency situations where the police are involved they like to have information on the vehicles of the participants)

Required information:

Type (Pickup, VAN, Car, etc.), Make / Model, Colour, , license plate number.

Can you tow a Trailer? If so, what class?

Vehicle 1:

Vehicle 2:

Vehicle 3:

Skills / Non-Amateur Radio Equipment

Other Skills: Phone systems, vehicles repair, electrician, millwright, small engine repair, first aid, industrial safety (WHIMIS or climbing trained), truck driver, other radio licenses, etc. Any skill that could be used in an emergency. Indicate level of skills.

Profession: Doctor / Lawyer / Indian Chief.. Similar to skills, in that we need to know who can do what.

Equipment: Other useful equipment, tents, radios (FRS, etc...), camping gear, access to club gear, etc.

Affiliations: ARC (especially appointments), 4x4 club, Red Cross, St. John Ambulance, VFF, etc.

Business location: Cross streets nearest your business location.

Yahoo: Are you on our York Region or Scugog District Yahoo groups?

Do you have any problems with having a Criminal Record Background check done? (In order to do certain jobs with the Red Cross or Government originations this may be required)
